Is what got  
us here  
good  
enough?

Increase in ethics  
issues?

Are journal ethics  
policies appropriate  
models?

If so, with what  
adaptations?

# Core ethics principles

# Strengths of Community Orientation

Communication  
engagement

Participant  
commitment to  
journal editorial  
roles

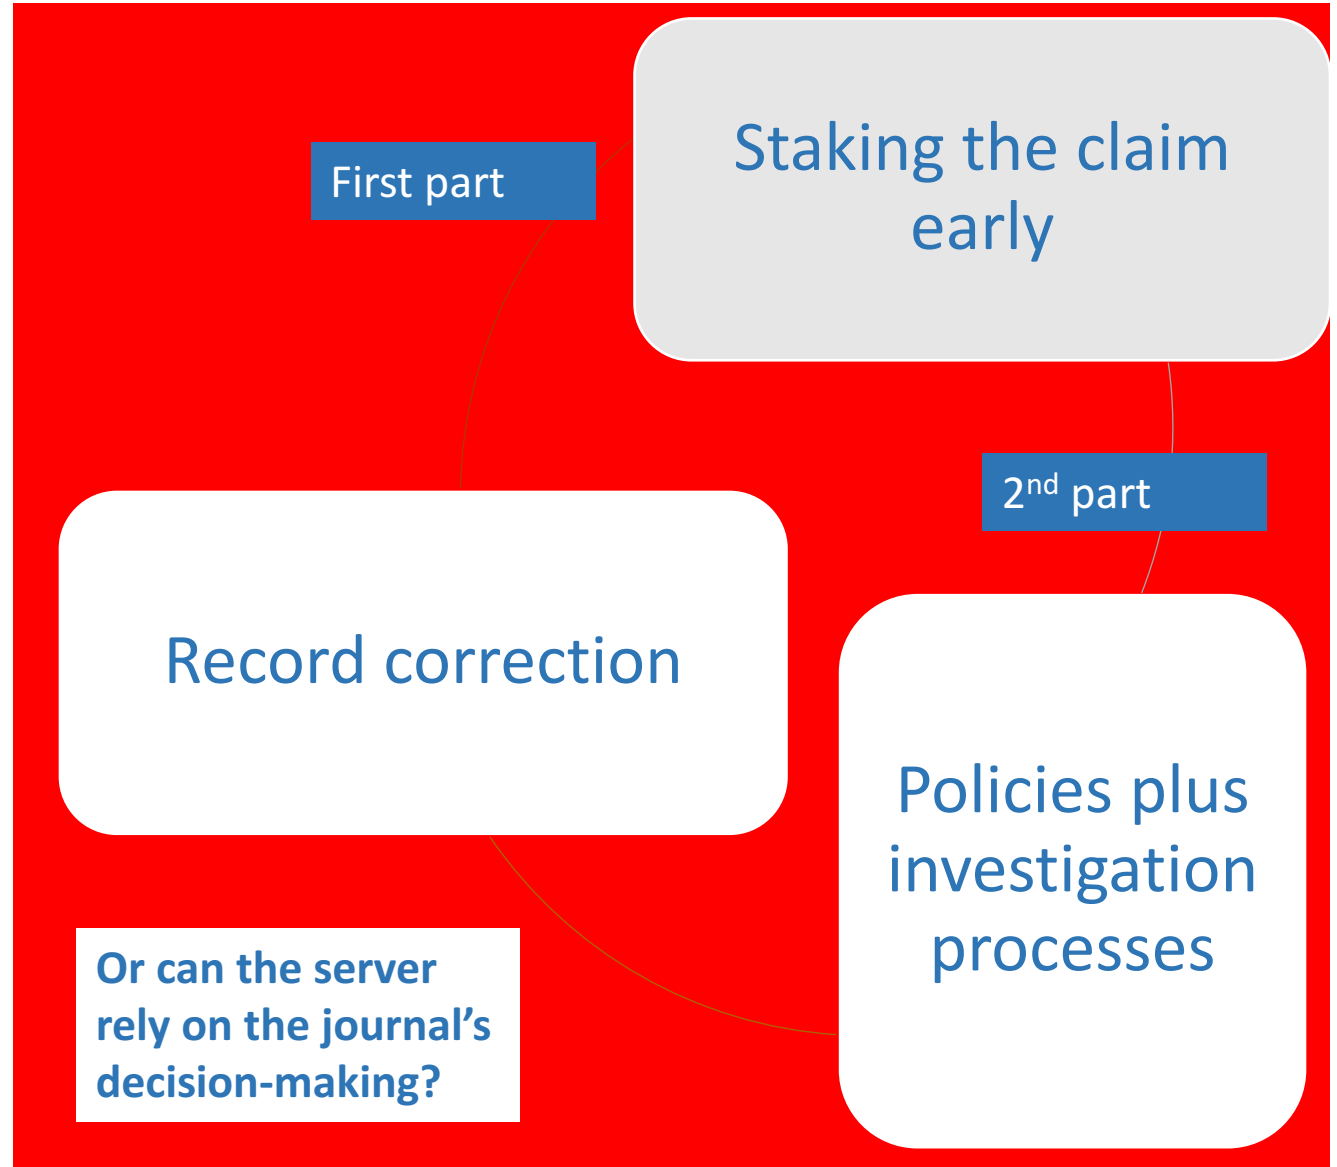

Preprint servers  
& editors

# Transparency & retractions

Open peer  
review

Full  
retractions for  
early versions?

# Accountability

# Policies & process

# Journal vs server conflicts ?

News embargo  
journals

Other journals with  
early publication  
disqualification

OA publishing  
where author  
chooses CC NC?
